## EXPERIENCE

### FRONT-END WEB DEVELOPER

Self-Employed, November 2022-Present

- Developed 10+ responsive websites using native HTML, CSS and JavaScript.
- Resolved complex coding problems related to client-side scripting languages like JavaScript and jQuery.
- Built and maintained several reactive, open-source components using Typescript and React / React Native.
- Debugged cross-browser compatibility issues in Chrome, Firefox, Safari and IE.
- Translated flat design files to clean, accessible and interactive user experiences.
- Used version control systems such as Git to manage code repositories and track changes.

### REACH LIFT OPERATOR, Slidell, LA

Associated Wholesale Grocers, August 2021-Present

- Developed an understanding of customer requirements in order to provide excellent service at all times.
- Communicated effectively with team members regarding new orders for shipment or delivery schedules.
- Participated in continuous improvement initiatives aimed at increasing efficiency of warehouse operations.

### ASSISTANT MANAGER, Denham Springs, LA

Mr. Gatti's Pizza, July 2017-August 2021

- Trained new employees in product knowledge, customer service protocols, cash handling procedures, and safety regulations.
- Communicated with clients to address questions, concerns, and needs and provide quality customer service.
- Established clear communication channels between staff members to ensure smooth workflow throughout the store.
